# Hey, I'm Bobak!

I'm an Iranian-American full-time Filmmaker & Photographer. I have had the great privilege of traveling and photographing over sixteen countries around the world including Iceland, Italy, Ireland, France, Turkey and many more.

Received my Bachelor's of Arts in Film & Digital Media Production at University of California Santa Cruz (UCSC).

Started my small business in 2016 located in Colorado Springs, CO and serving clients worldwide.

When I'm not working, I'm spending most of my time with my dog Aspen! I adopted him from the shelter when he was a puppy, he's been my best friend ever since. I love to be outdoors, hiking, backpacking, and snowboarding are a few of my favorite things!

A man with a beard and a woman with blonde hair are smiling and embracing each other. They are both wearing white clothing. The man is on the left, and the woman is on the right. They are standing in front of a textured, reddish-brown rock wall. The woman has her hand on the man's chest. The man has a tattoo on his left arm. The woman is wearing a ring on her finger. The background is a natural rock formation with some faint graffiti or markings.

"Bobak was absolutely amazing! He captured the most beautiful photos for our engagement shoot at the Garden of the Gods. Bobak is such a talented photographer. # Weather & How to Pack

Colorado Springs has all four seasons, with lots of sunshine, low humidity and beautiful blue skies.

Our altitude (5,994') and proximity to the mountains provides for a year-round, mild climate.

The region's climate is often as pleasant in the winter months as it is during the rest of the year. We receive 15-16 inches of precipitation annually.

Be sure to drink lots of water to adjust to the climate!

# Where to stay Colorado Springs

Here are a few good places to consider for your vacation:

1. The Broadmoor
2. Glen Eyrie Castle
3. Garden of the Gods Resort & Club
4. SCP Colorado Springs Hotel
5. The Lodge at Flying Horse
6. Kinship Landing
7. Cheyenne Mountain Resort
